Sponsored Products

Increase search visibility with keyword-targeted ads

1. Set your cost-per-click bid and daily budget
2. Select campaign start and end date
3. Write your own custom ad copy

Product Display Ads

Build name recognition and title awareness with interest and product-targeted ads on detail pages

1. Set your cost-per-click bid and campaign budget
2. Select campaign start and end date
3. Write your own custom headline and ad copy

Best practices:

- Sponsored Product and Product Display ads work best together, capturing the customer's attention at different moments in their shopping experience
- Target complementary and popular keywords, interests and products, including similar books and authors
- Always make sure your ad copy is relevant to your targeting and don't forget to spell-check
- Ensure your ad and book content meets the [Kindle Author Advertising Acceptance Policy](#)

Get started:

1. Choose the book you want to advertise from your KDP bookshelf
 2. Choose "promote and advertise" and "run an ad campaign"
 3. Select your ad type and follow the instructions in the ad builder
- You're done! You'll see a message confirming that your ad has been sent for review.
