

You also have to be aware that girls win most of the arguments and have most of the power. If you know that now, things might be easier.

Finally, if you try for too many girls, you will have jealousy issues and might end up with nobody. It is really best to go for just one.

If you do get a girl to like you, that is victory. Winning victory is a dream for most boys, but it is very rare.

What does it take to win victory?

Read on and find out!

Many boys who have crushes don't know how to act around a girl.
Some boys tease girls they like and are mean to them.
Some boys say silly things to girls and act goofy.
Some boys think they are acting cool by showing off.
This is not a good approach.

The right thing to do when you have a crush is:

- ✓ Never show off too much
- ✓ Don't be silly and goofy
- ✓ Control your hyperness (cut down on sugar if you need to)
- ✓ Make sure you have good friends who won't try to take the girl you like.

Finally, you have to be able to get over a crush if it doesn't work out.

A crush is like a love disease.

It can drive you mad.

Try not to let it get you down.
