

LOGITECH® HARMONY 650

One touch changes everything—
with bright and brilliant control

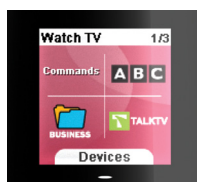

Say goodbye to juggling remotes and complicated equipment settings. With a bright color screen, one-click activity buttons, and control of five devices, Harmony 650 lets you access TV, movies and music effortlessly—even in the dark.

REPLACES UP TO 5 REMOTES. WORKS WITH 5,000+ BRANDS.

- Supports 225,000+ entertainment devices
- Controls up to five video, audio and music devices
- Online device database is updated daily—your remote will never become obsolete
- Simple online setup—download commands to your remote using your Windows PC or Mac computer

FEATURE AT A GLANCE

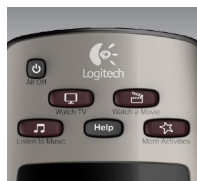

Backlit color screen

- It's easy access what you need:
- Icons for jumping to your favorite channels
 - Commands for all your devices
 - Help if you ever get stuck

Controls five entertainment devices

- Say goodbye to a jumble of remotes cluttering up the coffee table
- No more complicated instruction lists of what to turn on and what buttons to select

One-click activity buttons

- Press "Watch DVD" or "Listen to Music" and all the right devices turn on in the right order
- Easy for anyone in the family to use

Simple guided setup

- Connect the remote to your computer—online software walks you through quick setup
- Live customer support is ready to help if you need it.
