FEATURE AT A GLANCE

Simple plug-and-play setup

Just plug the wireless receiver into your USB port and start typing.

Tiny Unifying Receiver

- It stays in your laptop—plug it in once and forget about it
- Add a Unifying-compatible mouse to the same receiver without the hassle of multiple USB receivers.

Feel-good ergonomic design

The contoured shape and soft rubber grips keep your hand comfortable—even after long hours at the computer.

Precision optical tracking

Get responsive, smooth cursor control with high-definition optical tracking (1000 dpi).

Reliable wireless connection

Powerful 2.4 GHz wireless gives you cordless freedom with virtually no delays or dropouts.

Intelligent power management

Go for up to 15 months on two AAA batteries**, already pre-installed in the keyboard.
