

Surround Sound Speakers Z506

All-around sound for all your gear

HDTV. iPod. Game console. DVD player. Just plug in your entertainment gear and you can immerse yourself in big 5.1 surround sound—even from your 2-channel stereo music, movie and game tracks.

Ported down-firing subwoofer for deep bass

FEATURE AT A GLANCE

Plug-and-play setup

Multiple inputs make it easy to connect your laptop, PS3, Xbox 360, Wii, iPod, DVD player and more.

Big, balanced power

You've got 75 watts (RMS), enough to fill the room with window-rattling sound.

Rich 3D stereo surround sound

The speakers also convert simple 2-channel stereo (like your old video games and CDs) into immersive surround sound.

Full bass control

Dial it up or down on the fly with an on-speaker control that's easy to reach.

WORKS WITH

- Computers, music players, TVs, DVD players and other audio sources with 3.5 mm or RCA audio out (not included)
- PlayStation®2, PLAYSTATION®3, Xbox 360® or Wii® using the AV cable that comes with your console

WHAT'S IN THE BOX?

- Speakers
- 3.5 mm and six channel direct audio cables (RCA cable not included)
- Color-coded speaker cables
- User documentation
- 2-year limited hardware warranty
