

Logitech® Laptop Speaker Z305

Ready to move, ready to groove

Ready to play. Ready to charge. With this go-anywhere speaker for your iPod, you're set to rock around the house or wherever you want to listen to your music in clear stereo sound with a boost of booming bass.

FEATURES AT A GLANCE

Room-filling 360-degree sound
The speaker projects sound more evenly in all directions for an immersive listening experience wherever you are in the room.

Plug and play simplicity

A single USB connection powers the speaker and gives you pure digital audio—no software or extra AC power supply needed.

Easy clip-on design

Clip it instantly and securely to virtually any laptop or netbook—at home, the office, airport or wherever you take your laptop.

Built-in cable storage

Tuck the USB cord neatly away into the back of the speaker when you're on the go.

Travel case included

The compact speaker slips easily into its soft protective case and your laptop bag.

WORKS WITH

- Windows® and Mac OS®
- USB Port

WHAT'S IN THE BOX?

- Speaker with USB cable
- Travel case
- User documentation
- 1-year limited hardware warranty
