

With HP Wireless TV Connect you can now share all your favorite photos, videos, and music on your notebook via your home entertainment system. Stream high definition movies or the latest YouTube video from your notebook to your TV effortlessly

Features and Benefits

- Wirelessly stream High Definition 1080p multimedia content from your PC to your home entertainment center
- Share photos and other content stored on your notebook and stream YouTube videos or Blu-ray movies without messy audio/video cables draped across your living room or office
- Easy set up! Simply connect the PC and TV adaptors to your HDMI notebook + HDMI TV and start streaming your movies, photos, and music. No software or drivers to install
- Trusted! Tested with all compatible HP notebook PCs so HP can deliver the highest quality
- No software or drivers to install

Compatibility

- Any notebook with an available HDMI and USB port
