

ENVY dv6-7218nr Notebook PC

HP is the world's favorite PC.*

Show-stopping performance. Standout design.

Introducing the HP ENVY dv6 notebook. With a sleek, tapered metal design, it's easy to pick up. And with cool features like Beats Audio™ amplified by quad speakers and a subwoofer, it's tough to put down.

HP recommends Windows 8.

Entertaining in more ways than one.

It starts with a new design, but the HP ENVY dv6 is more than good looks. The brushed aluminum along with chrome accents and a soft-touch grip make it a notebook you want to take everywhere. Get Beats Audio™ sound with quad speakers and a subwoofer. Outstanding performance and graphics. And cool features like a fingerprint reader and an HP TrueVision HD webcam⁽¹²⁾ that makes you look your best.

Brilliantly engineered.

HP PCs deliver optimal performance through meticulously engineered designs. Each series undergoes at least 140 rigorous tests defined by HP Labs to ensure they can survive extreme conditions and use over the long haul.⁽¹⁴⁾ And each includes components and software from world-class partners.

- Store up to 155,000 photos, 140,000 tracks or 280 HD movies and get protection from bumps with a 640GB hard drive and HP ProtectSmart.^{(5a)(5b)}

- Stay connected to friends, family, and colleagues at wireless hotspots with Wi-Fi 802.11.⁽⁸⁾
- Wirelessly sync and print from up to 30 feet away with Bluetooth.⁽⁹⁾⁽¹⁰⁾
- Brushed aluminum finish in midnight black.

Thoughtful design.

We put more thought into it so you'd get more out of it. Things like a soft-touch grip that makes it easy to grab and go. Like chrome accents on the touchpad and speaker bar that exude sophistication. And vertically brushed midnight black aluminum covers for tactile appeal. Inspired by the concept of unleashed energy, the sharply tapered, precision design is graceful yet powerful. It's HP's relentless dedication to design—at its best.
