

# Pavilion dv7-6165us Entertainment Notebook PC

Entertainment and social powerhouse from the world's favorite PC maker.<sup>(44)</sup>

## Rockin' technologies, ridiculous power!

Meet the performance-packed entertainment center you can slip in a backpack or briefcase. The party's happening wherever you go! Includes exclusive features like Beats Audio™ and HP CoolSense technology—plus HP SimplePass for extra security—you won't find in any other brand. Demand more and get it. HP Pavilion dv7 Series Notebooks.

## HP recommends Windows® 7.

### Get the ultimate entertainment center that tucks under your arm!

Mobile entertainment power starts with awesome Beats Audio™, a built-in subwoofer and quad speakers. The rear pair tilt forward to kick sound right at you! Exclusive built-in HP CoolSense technology can help keep you comfortable automatically when lounging around the house. And a built-in HD webcam<sup>(15)</sup> helps you look your best when video chatting online—even with lights turned low. HP SimplePass fingerprint reader: Just swipe a finger and you're in. Remembers passwords for you! Enjoy a brilliant HD display<sup>(8)</sup> and a whopping hard drive to store all your media. Transfer movies fast with USB 3.0 speed. Demand higher quality entertainment power and advanced features. Get them with famed HP reliability in the HP Pavilion dv7 notebook.

Look what comes in your brushed aluminum Pavilion dv7 notebook.

- 17.3" diagonal HP BrightView HD LED display<sup>(8)</sup>
- Genuine Windows® 7 Home Premium (64-bit)<sup>(1)</sup>
- Get up to 10 hours and 30 minutes of battery life with the 9-cell 100Whr Lithium-Ion battery.<sup>(28)</sup>
- Live the ultimate gaming and video experience in brilliant HD with performance that accelerates automatically with the VISION A8 Technology AMD Quad-Core A8-3500M Accelerated Processor<sup>(30)</sup> and AMD Radeon™ HD 6750M Graphics. Do it longer with the extended battery life delivered by AMD AllDay™ Power.
- Store upto 155,000 photos, 140,000 tracks or 280 movies in HD<sup>(9)</sup> with the 640GB hard drive.<sup>(29)</sup>
- Brushed aluminum alloy finish in steel gray
- Protection against cybercrime with 60-day Norton Internet Security subscription; optimized for your PC and ranked #1 in protection and performance. Surf, shop and bank online safely.<sup>(19)(49)</sup>

### Spectacular entertainment. A feast of viewing and listening!

Major studios have long relied on HP technology when making blockbuster movies, from Disney's Fantasia (1940) to DreamWorks Animation's Kung Fu Panda 2 (2011). No wonder your HP Pavilion dv7 notebook delivers outstanding entertainment value: it's in our DNA.

- Hear what you've been missing with Beats Audio™, available exclusively from HP. In collaboration with Dr. Dre, Will.i.am and Interscope Records founder Jimmy Iovine, HP audio engineers now deliver the best audio experience available on a PC today. HP notebooks with Beats Audio™ do things differently: Eliminate electronic background noise; go from whisper quiet to blasting loud without flattening out the sound; add powerful amplifiers for full-bodied sound – and a bass boost button to pump up volume even more. Beats Audio™ lets you hear – and feel – all the music, just as the artist intended.
- Feel the full range of treble and bass frequencies powered by 12W of combined speaker and subwoofer amplifier output with the HP Triple Bass Subwoofer.
- Vivid color sweeps across full-screen HD content with the brilliant 16:9 HP BrightView display. Dive in!
- Sometimes bigger is better. The HDMI port on your dv7 notebook connects to your HD-TV<sup>(43)</sup>—so everyone can watch together!

### Get all this in your Pavilion dv7 too.

- Beats Audio™ with quad speakers for the best sound available on a PC today
- HP CoolSense technology. Just set your comfort level—it does the rest!
- Built-in HP TrueVision HD low-light webcam<sup>(15)</sup>
- HP SimplePass fingerprint reader for extra security plus convenience
- HP ProtectSmart to protect your files from accidental drops
- Touchpad illuminated by LED border: Press Fn + space
- 2 USB 3.0 ports that run 10X faster than standard (4 total USB ports)
- Digital Media Reader for SD and Multimedia cards
- DLNA Certified<sup>(6)</sup> to stream music, photos and videos to devices anywhere in your home. Seamless! (Requires DLNA Certified<sup>(6)</sup> devices and Windows<sup>(9)</sup> Media Player 12)

### dv7 in brushed aluminum: innovations for comfort and convenience.

HP technology is inspired by the way you think, feel, act and interact:

- HP's CoolSense Technology makes it cool to lounge around with your notebook. By rethinking the materials, venting, and the placement of components, HP has pioneered new designs like the dv7 that feel noticeably cooler. With an exclusive software control panel (included), simply select your comfort level. Your dv7 will sense whether you're using it at a desk or, say, on a couch—and adjust accordingly.
- HP SimplePass: access your PC and online accounts with a swipe of your finger. Remembers your passwords for you!
- Chat in HD<sup>(9)</sup> with the HP TrueVision HD Webcam.<sup>(15)</sup> When there's less light, your webcam automatically boosts sensitivity—so you can still look your best in even with lights turned low. Capture high quality HD video<sup>(8)</sup> or still images. Send to friends, upload to Facebook!<sup>(15)</sup> Bonus: Built-in dual array microphones help quell background noise for clearer, crisper vocals.

### Rely on HP to bring you a notebook this tough.

The U.S. Air Force relies on HP to support its cyber warfare strategy and as its preferred technology vendor to run critical operations. The Navy, to keep its defense network secure. Understandably so: HP notebooks are engineered to meet select US Department of Defense standards for equipment used in combat to help ensure they survive in extreme conditions for high temperature, humidity, shock and vibration.<sup>(50)</sup> Our notebooks must survive extreme temperatures while running—a full 6 degrees hotter than the hottest day recorded in Death Valley, CA, to date.<sup>(51)</sup> Before releasing this HP Pavilion dv7 model for consumer use, we put it through a minimum of 140 tests, consuming at least 95,000 hours—all to help ensure it can outlast the rigors of daily life.

### Award-winning service and support come standard.

HP stands apart as the only PC vendor to have received the Excellence in Service Operations certification and STAR awards from TSI, the industry's leading association for technology services. Contact us any time and way you want.<sup>(32)</sup>

- **From your desktop:** Click the HP Support Assistant icon for quick access to automated maintenance, preinstalled content, diagnostic tools and multiple assistance options. (Free, in and out of Warranty)
- **Through the internet:** Visit our Consumer Support Forum, available 24/7 in English, French or Spanish. (Free, both in and out of Warranty)
- **By telephone:** In the US, call HP at 1.800.HP.INVENT (1.800.474.6836). (Free in Warranty)

To continue access to chat, email and telephone support, you can extend your standard warranty with an HP CarePack service. Visit for your choice of plans.

## ecohighlights

Pavilion dv7-6165us Entertainment Notebook PC

HP's original corporate goals cited the environment; uncommon in 1957. Leadership in sustainability continues to this day.

- ENERGY STAR® qualified and EPEAT® Silver registered<sup>(33)</sup>
- BFR and PVC free<sup>(23)</sup>
- Mercury-free LED display and arsenic-free display glass<sup>(46)</sup>
- Delivered exclusively by SmartWay logistics partners on reusable pallets<sup>(47)</sup>
- Free recycling of your old computer hardware<sup>(48)</sup>

<sup>(1)</sup> This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. This version contains all product updates (SP1). See <http://www.microsoft.com/windows/windows-7/> for details.

<sup>(2a)</sup> AMD's numbering is not a measurement of clock speed. <sup>(4)</sup> GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. <sup>(6)</sup> Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. <sup>(7)</sup> 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 25GB of system disk is reserved for system recovery software. <sup>(8)</sup> High-definition (HD) content required to view high definition images. <sup>(9)</sup> Actual speeds may vary. <sup>(10b)</sup> Wireless access point and Internet service required and is not included. Availability of public wireless access points limited. <sup>(12)</sup> Weight will vary by configuration. <sup>(15)</sup> Internet access required and sold separately. <sup>(15a)</sup> Internet access required and sold separately. Additional charges may apply. <sup>(15b)</sup> Internet access required and sold separately. HP Movie Store powered by RoxioNow movie rental and purchase charges apply. <sup>(15c)</sup> Registration and internet access required and sold separately. <sup>(15d)</sup> Actual speeds may vary. Don't copy copyright-protected materials. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Double Layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided - Version 1.0 media. <sup>(17a)</sup> Digital Media Slot supports MS, MSP, MMC, SD, XD formats. To avoid damaging the card or computer do not insert any type of adapter, or mini format memory card, into the Digital Media Slot. Mini/Reduced flash memory cards require separately purchased adapter. <sup>(19b)</sup> Internet access required. First 60 days included. Subscription required for live updates afterwards. <sup>(22)</sup> Meeting the evolving definition of "BFR/PVC-free" as set forth in the "INEMI Position Statement on the Definition of Low-Halogen Electronics (BFR/CFR/PVC free)." Plastic parts contain < 1000 ppm (0.1 percent) of bromine (if the Br source is from BFRs) and < 1000 ppm (0.1 percent) of chlorine if the Cl source is from CFRs or PVC or PVC copolymers. Power supply and power cords are not BFR/PVC free. Service parts after purchase may not be BFR/PVC free. <sup>(25)</sup> Games may be limited during trial period. Full version games may be purchased at any time. Internet access required and sold separately. <sup>(28)</sup> Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com/products/mobilemark2007> for additional details. <sup>(29)</sup> Capacity based on 8MB per typical high-resolution photo, 4MB per track and 2GB per 90-minute HD movie. <sup>(32)</sup> Support options are subject to change. <sup>(33)</sup> EPEAT registered where applicable/supported. See [epeat.net](http://epeat.net) for registration status by country. <sup>(34)</sup> Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite; available at participating resellers/retailers and [www.office.com](http://www.office.com). <sup>(41)</sup> Intended for your original content and other lawful uses. Do not copy copyright protected materials. <sup>(42)</sup> HD images required for HD performance. <sup>(44)</sup> IDC Worldwide Quarterly PC Tracker, 2010Q4, 4Q <sup>(46)</sup> Arsenic and its compounds were not detected using US EPA Test Methods 3052 and 3052/6010b by ICP or ICP-AES. <sup>(47)</sup> SmartWay: US/Canada only. <sup>(48)</sup> Free recycling in select countries. Program may not be available in your area. Check [www.hp.com/go/recycling](http://www.hp.com/go/recycling) to see if HP offers free recycling in your area. <sup>(49)</sup> Based on Passmark Report [www.norton.com/passmark2011](http://www.norton.com/passmark2011) and Dennis Technology Labs [www.norton.com/dennislabs2011](http://www.norton.com/dennislabs2011) <sup>(50)</sup> Based on testing performed in HP Labs. HP EliteBooks are designed to meet MIL-STD-810G standards for temperature (501.1), humidity (507.5), shock (516.6) and vibration (514.6) and more. HP consumer notebooks must pass the same HP-internal testing criteria for high temperature, humidity, shock and vibration as EliteBooks but are not designed, or promoted as appropriate, for rugged use. <sup>(51)</sup> Based on testing performed in HP Labs. Actual product may vary from image shown on datasheet.
