

## Super natural.

Works like you, so you get more done.

The new HP TouchPad is designed to work like you. Letting you connect, play, surf, and share more easily.<sup>(1)</sup> No barriers. No complications. Just a seamless flow from one thing to the next. TouchPad. There's nothing like it.

### HP TouchPad

It's designed to work like you do, so you can accomplish more. TouchPad gives you a seamless way to move back and forth between all the things you're working on.<sup>(2)</sup> With a large, brilliant screen, you see your related activities grouped together automatically—so you stay organized. Everything's open, and you never lose your place. If a call or text message arrives on your HP webOS smartphone, you can answer or reply right from TouchPad.<sup>(4)(5)</sup> Not to mention share webpages with compatible webOS devices.<sup>(5)</sup> Plus you experience more of the web, thanks to support for Adobe® Flash® Player.<sup>(1)</sup>

### Do more with HP webOS.

- **Next-level multitasking:** Get a simple, natural way to move from one thing to the next. Have related activities automatically grouped together into card stacks.
- **HP Synergy:** Get contacts, calendars, messages, photos, and email automatically synced from sources like Facebook®, Google™, LinkedIn®, Skype, Yahoo! and Microsoft® Exchange.<sup>(7)</sup>
- **Just Type:** Simply start typing to search the web, update your status, or begin just about anything.<sup>(1)</sup> Think about what you want to do, not how you have to do it.
- **Notifications:** Receive a snapshot of new messages, email, and events without being totally disrupted.<sup>(1)</sup> Act on what's important—ignore what's not.
- **Web:** Browse the full web at blazing speed with support for the latest web technologies, including Adobe Flash Player.<sup>(1)</sup>
- **Better together:** Receive text messages and answer phone calls on your TouchPad.<sup>(4)(5)</sup> Share webpages with your compatible HP webOS smartphone by bringing the devices together.<sup>(5)</sup>
- **Wireless printing:** Print wirelessly to compatible networked HP printers.<sup>(8)</sup>
- **HP Touchstone:** Place TouchPad on the optional dock and it charges automatically, while also launching your Facebook photos, today's agenda, or other content you choose.<sup>(9)(10)</sup>
- **Productivity powerhouse:** Collaborate with colleagues using preinstalled Quickoffice® HD, Google Docs™ or Box.net.<sup>(1)</sup>
- **Enhanced email:** Keep multiple emails open at once. View work and personal messages together or separately.<sup>(7)</sup> Scroll through your inbox in one pane while working on an email in another.<sup>(1)</sup>

### Enjoy more, too.

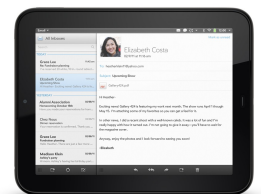

- **Skype video calling:** Have a face-to-face conversation on a large, vibrant screen.<sup>(1)</sup>
- **Beats Audio™:** Hear music the way the artist intended with amazing sound quality—only from HP.
- **Dynamic albums:** See your photos from places like Facebook, Snapfish, and Photobucket all in one place, complete with friends' comments.<sup>(1)</sup>
- **Books and movies:** Access thousands of books from Amazon's Kindle Store. Download movies from the HP MovieStore powered by RoxioNow™ to watch anywhere.<sup>(12)</sup>
- **Entertainment everywhere:** Download movies and TV shows, play games, listen to music, view photos, and read magazines.<sup>(12)</sup>

### These features come standard:

- 16GB internal storage<sup>(13)</sup>
- 1.2GHz Qualcomm Snapdragon dual-core APQ8060 processor
- HP gloss black finish
- Front-facing 1.3MP webcam and digital microphone for live video calling<sup>(11)</sup>
- 9.7-inch diagonal LED backlit multitouch display plus a special coating for easier cleaning and abrasion resistance
- Wi-Fi and Bluetooth® Wireless Technology<sup>(1)</sup>

### Headliners

- 9.7-inch diagonal LED backlit display
- Next-level multitasking
- Beats Audio™ sound, only from HP
- Web with support for Adobe Flash Player<sup>(1)</sup>
- Watch video calls come to life with Skype<sup>(11)</sup>
- View documents with Quickoffice HD
- HP Touchstone wireless charging<sup>(9)</sup>

### ecoHIGHLIGHTS

HP TouchPad Wi-Fi 16GB

HP's original corporate goals cited the environment; uncommon in 1957. Leadership in sustainability continues today.

- Mercury-free LED display and arsenic-free display glass<sup>(17)</sup>
- Delivered exclusively by SmartWay logistics partners<sup>(18)</sup>
- 100% recyclable packaging
- Free recycling in select countries globally<sup>(19)</sup>
- BFR/PVC Free<sup>(21)</sup>

<sup>(1)</sup> Internet access within wireless coverage area only. Wi-Fi within range of 802.11a/b/g/n Wi-Fi network. Some Wi-Fi hotspots may require fee for usage. Not all web content may be available. Email and related information required for setup and activation. <sup>(2)</sup> Performance varies based upon actual usage. <sup>(3)</sup> Within wireless coverage area only. SMS and IM require data services at additional cost. Availability of IM functionality may vary by carrier. <sup>(4)</sup> Touch to Share capabilities require TouchPad with webOS 3.0 and Pre<sup>3</sup> (pending availability) or Veer (requires future over-the-air update) with webOS 2.2 or higher. Viewing URL web page content requires data connection via Wi-Fi or cellular connection. <sup>(5)</sup> Within wireless coverage area only. Microsoft Exchange email, contacts, and calendars available for ActiveSync only; requires Microsoft Outlook using Exchange Server 2003 with SP2, Exchange Server 2007, or Exchange Server 2010. <sup>(6)</sup> The webOS print solution will support all network-capable HP printers that support PCL page description language in the local LAN. These printers include new HP ePrint-capable printers—Photosmart, Officejet, and LaserJet—as well as legacy printers approximately 5 years old or newer. <sup>(7)</sup> HP Touchstone sold separately. <sup>(8)</sup> Displayed preferences require user setup. <sup>(9)</sup> Check with carrier for video calling availability and restrictions. <sup>(10)</sup> Third-party software available separately. Within wireless coverage area only. Requires data services at additional cost. Not all apps available on all devices. <sup>(11)</sup> User-available storage subject to change based on system software and application usage. <sup>(12)</sup> HP Play requires download to your PC at <http://hpplay.com> Song file formats supported: DRM-free MP3, AAC, AAC+, eAAC+, AMR, QCELP and WAV. HP Play is licensed for personal, noncommercial use only. Unauthorized Duplication of copyrighted materials is strictly prohibited. <sup>(13)</sup> Arsenic not detected using ICP- or AA-based methods such as EPA 200.8, EPA method 6020, EPA method 6010B or equivalent. <sup>(14)</sup> SmartWay: U.S./Canada only. <sup>(15)</sup> Check [www.hp.com/go/recycling](http://www.hp.com/go/recycling) to see if HP offers free recycling in your area. <sup>(16)</sup> 90-day Toll-Free Setup Assistance and 24x7 Free On-device and Desktop Chat Support subject to change without notice. <sup>(17)</sup> Meeting the industry definition of 'BFR/PVC free' per the iNEMI Position Statement on "Low Halogen" Electronics. Plastic parts incorporated into the chassis generally contain < 1000 ppm (0.1%) of bromine or chlorine. Printed circuit board and substrate laminates generally contain < 1500 ppm (0.15%) of total bromine and chlorine. Service parts after purchase may not be BFR/PVC free. ©2011 Hewlett-Packard Development Company, L.P. The information contained herein is subject to change without notice.
