

BREIL

GUARANTEE TERMS AND CONDITIONS

TWO-YEAR LIMITED INTERNATIONAL WARRANTY

The manufacturer warrants this watch to its original purchaser for a period of two (2) years from the date of purchase and warrants this watch against defects in the material and workmanship. The warranty does not prejudice the purchaser's lawful rights on the subject of warranty provided for by regulation in force in the country of purchase. This warranty does not cover damage to the watch due to normal wear and tear, modifications made to the case, strap, bracelet or crystal of the watch, or any moisture damage to the watch (if not marked "water resistant" on the back of the case of the watch). This warranty does not cover damage to the watch due to accidents, negligence, improper use or other factors that are not related to defects in material or workmanship. Only the movement, hands and dial of the watch are covered by this warranty. Any repairs to such parts shall be made free of charge or the watch will be replaced (at the sole discretion of the BREIL Authorized Service Center) if it is confirmed that a defect in the material or workmanship was the cause of such damage rather than improper use of the watch by the purchaser. In case of replacement, Binda does not guarantee that the same model of watch will be supplied. If the same model is not available, a similar model of equivalent value shall be supplied. The warranty on the replacement watch supplied shall be valid for a period of two years from the date of delivery. The retailer accepts responsibility for all other forms of warranties offered to the consumer.

In the United States, a charge of US \$10 shall apply to cover shipping and handling for returns within the United States. Estimates for the costs of shipping to an international address must be obtained separately.

SERVICE REQUEST

If there is a problem with the watch, the purchaser is asked to send the original fully filled in copy of the certificate of warranty, the receipt or other suitable proof of purchase and a description of the problem along with the watch to the nearest BREIL Authorized Service Center. To find out the locations of the nearest BREIL Authorized Service Centers, the purchaser may contact the Official BINDA ITALIA Distributors listed on the Warranty Certificate and/or the branches, or if in Italy, call the toll-free number 800 930 970. Postage, packing and insurance costs are borne solely by the purchaser. We recommend that the package be insured because the purchaser is responsible for sending the watch to a BREIL Authorized Service Center for any repairs to be made to the watch. The purchaser must also make sure that the watch is properly protected during shipment. It is also requested that the watch be sent without its case. Service repairs at BREIL Authorized Service Centers for parts not covered by this warranty, such as the battery, crystal, case, crown, bracelet or strap replacement will be invoiced to the purchaser at cost. The amount of such charge may be subject to variations. The purchaser can telephone the BREIL Authorized Service Center to obtain an estimate of the cost of such repairs.

APPLICABILITY IN THE UNITED STATES OF AMERICA

NO IMPLIED WARRANTIES SHALL APPLY TO THE WATCH, INCLUDING WARRANTIES OF MERCHANTABILITY AND SUITABILITY, FOR A PERIOD LONGER THAN THE TWO (2) YEAR DURATION OF THIS EXPRESS LIMITED WARRANTY. THE MANUFACTURER DISCLAIMS ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES AND IN NO EVENT SHALL THE MANUFACTURER'S LIABILITY EXCEED THE PURCHASE PRICE OF THE WATCH.

Some states do not allow limitations on the duration of any implied warranty, nor do they allow exclusions or limitations of consequential or incidental damages. Therefore, the above exclusions and limitations may not apply to the purchaser. This warranty offers specific legal rights, but the purchaser may have other rights that vary from State to State. No company or person is authorized to modify the terms of this warranty.
