SWISS MILITARY

Swiss Military International Warranty

Thank you for purchasing a Swiss Military timepiece. Swiss Military has put all its expertise and care into the manufacturing of your watch and we trust that it will give you long and reliable service.

Your Swiss Military timepiece is warranted against manufacturing defects by Swiss Military Inc. for a period of two years from the original purchase date. This international warranty will be honored by Swiss Military Watch Company.

Please note that Swiss Military Hanowa Inc. may, at its discretion, replace rather than repair your watch with an identical or similar model.

The Warranty is confined to damage of material or defect of manufacturing. We warrant the good working of this watch but must lay down the damage caused by unsuitable treatment to the watch. Excluded from this warranty are the following

1. Rupture of crystal, or glass
2. Broken spring
3. Damage caused by water (except water proof watches)
4. Scratches on the watch
5. Battery replacement is not included

To obtain warranty service, please return your timepiece to Swiss Military Inc. or to the authorized retailer where your watch was purchased. Please include the completed original Watch Repair Coupon or, a written statement with your name, address, telephone number and copy of receipt with date and place of purchase.

NEVER INCLUDE ANY OTHER ARTICLE OF PERSONAL VALUE WITH YOUR WATCH RETURN.
