ROTARY

Established in Switzerland 1895

International Lifetime Guarantee

All movements in Rotary wristwatches have a lifetime guarantee.

The only condition to this warranty is that you return the watch to a Rotary Service Centre for a professional service at least every 3 years or when our reminder reaches you. Although servicing will be chargeable it will contribute to your Rotary's long life through cleaning, lubrication, replacement of any worn parts, regulations and full testing.

Only valid if presented with a dated proof of purchase or email receipt from an authorised Rotary stockist.
