

What are the different types

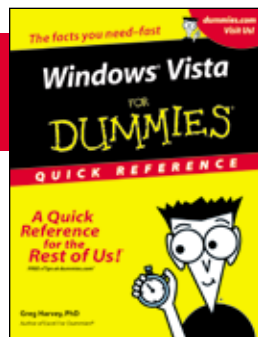

For Dummies Original

- Often imitated but never equaled, this world-famous series uses humor and plain-English explanations to demystify intimidating or complicated topics
- Hundreds of titles cover a wide range of general interest and technology topics
- Modular format allows readers to go right to the information they need
- Offers just enough information to perform a given task or accomplish a specific goal
- All titles include a tear-out Cheat Sheet, navigational icons, sidebars, cartoons, and Top Ten lists
- Many titles also offer bonus features—CD-ROMs, audio CDs, DVDs, companion Web sites, full-color inserts, or full-color interiors
- *For Dummies* authors are experts who are passionate about their topics
- \$14.99–\$29.99 • standard 7 3/8 x 9 1/4; also 8 1/4 x 10 7/8, 6 1/8 x 9 1/4, 5 1/2 x 8 1/2 and 5 x 7 • 244–528 pages

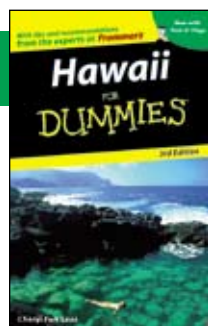

For Dummies All-in-One

- Covers a group of related technology or general interest topics in one convenient, handy reference
- Features multiple “minibook” access points to help readers find what they need quickly
- Ready-reference format helps people zero in on what they want to know, get up to speed, and get the job done as quickly as possible
- Includes icons and a Cheat Sheet
- An impressive shelf presence with an average 1.5-inch spine width
- \$24.99–\$39.99 • 7 3/8 x 9 1/4 • 512–1,008 pages

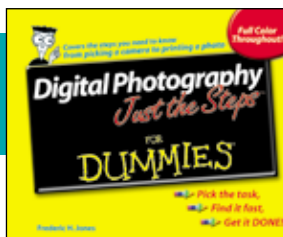

For Dummies Quick Reference

- Small-trim guides that offer fast answers to frequently asked questions
- Covers popular technology topics and delivers basic information and instant solutions
- Features a quick-access, alphabetical format
- Includes Tech Talk, a glossary of terms related to the topic
- Lay-flat comb binding makes it an ideal computer-side reference for new and intermediate users
- \$16.99 • 6 1/2 x 8 1/2 • 224–240 pages

For Dummies Travel

- The ultimate user-friendly trip planners, combining the broad appeal and time-tested features of the *For Dummies* series with up-to-the-minute advice and information from the experts at Frommer's
- A “Best of the Best” icon and focused coverage of only the best hotels and restaurants in all price ranges make it easy to plan a great trip
- A chapter devoted to art, architecture, and culture gives travelers useful background information
- Information on packages and deals and a quick-reference guide show travelers how to find the best vacation values
- \$15.99–\$21.99 • 5 1/2 x 8 1/2 (some backlist titles 6 1/8 x 9 1/4), 312–642 pages

Just the Steps For Dummies™

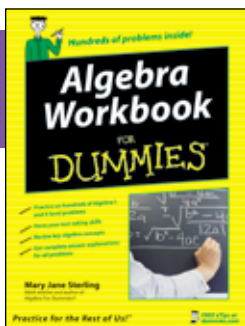

- For task-oriented beginning to intermediate users who prefer to skip the explanations and cut straight to the chase
- Task-specific, step-by-step tutorials help readers get the job done fast
- Features an oblong format with a two-column design, listing steps in the left column and helpful illustrations in the right column
- Covers popular technology topics
- \$14.99–\$18.99 • 9 1/4 x 7 3/8 • 240 pages

What are *For Dummies* books all about, anyway?

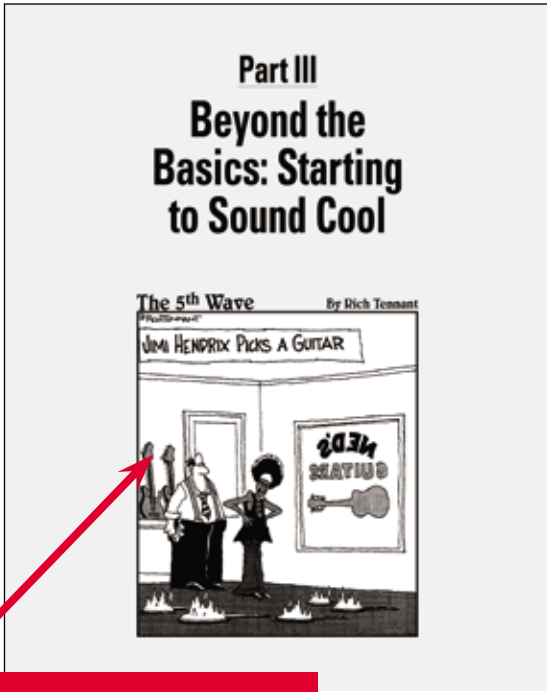

What are *Dummies* books? Practical, fun, easy-to-use guides that help people be more effective at work, home, or play.

Who uses them? Beginners, intermediates, and pros—anyone new to a topic who wants to get in and “do” something with a clear, convenient reference.

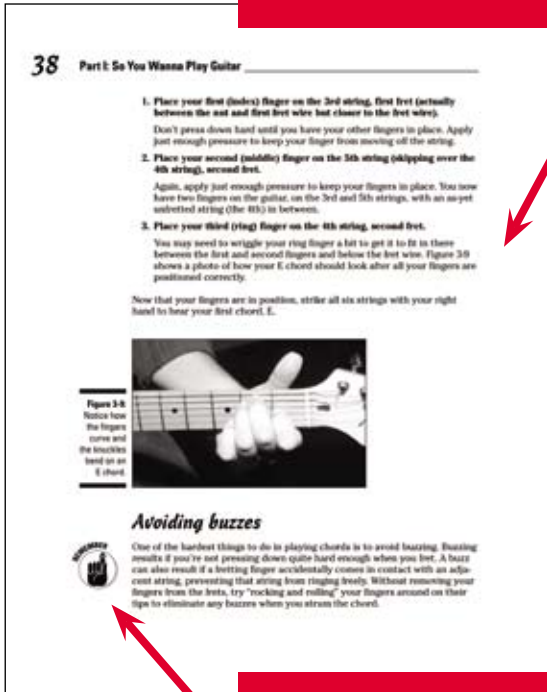

What makes them unique? *For Dummies* books feature plain-English explanations, helpful icons, Cheat Sheets for quick answers, insightful cartoons, and down-to-earth facts that readers can use right away!

Handy tear-out “Cheat Sheets” let readers keep frequently needed data at their fingertips.

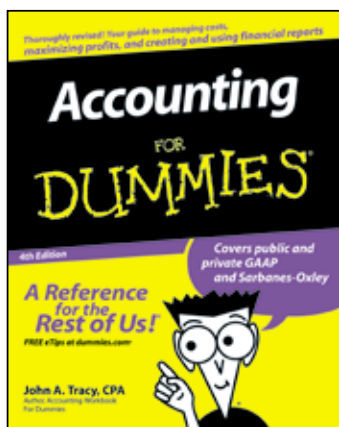

Every page is filled with easy-to-comprehend, “get in, get out” tips.

Clever cartoons reflect the jovial tone found in every *For Dummies* book.

Distinctive icons provide quick visual cues to specific types of information.
